2022 Product Planning Bulletin

BMW 2 Series Coupé – Interior Trim Offer Update.

Please be advised of the following updates to the interior trim offer.

4P6
Matte Dark Graphite
230i only

4KL
Aluminum Mesh
230i only

4AT
High-Gloss Black

4LN
Aluminum Rhombic Anthracite
Only with ZQX / M240i

As of 07/22 Production:

- Vehicles equipped with option code 4KL will receive this trim only on the centre console; the instrument panel will be finished in 4P6.
- Vehicles equipped with option code 4LN will receive this trim only on the centre console; the instrument panel will be finished in 4AT.
- Vehicles equipped with option code 4AT / 4KL / 4LN will receive an additional ambient lighting element on the instrument panel (see image ① above).
- Vehicles equipped with option code 4AT / 4LN in combination with 43A – Illuminated M Trim will receive an M specific lighting element on the instrument panel in addition to the one already on the door panel (see image ② above).

As of 10/22 Production:

230i xDrive (33CM)

- 4P6 is available to order with ZGR/ZGT, and in combination will receive an additional ambient lighting element on the instrument panel (image ① above).
- 4AT is only available to order if ZQX is equipped*.
- Vehicles equipped with ZQX and thereby 4AT or optionally 4LN are required to order 43A – Illuminated M Trim*.

M240i xDrive (53CM)

- Vehicles equipped with either 4AT or optionally 4LN are required to order 43A – Illuminated M Trim*.

*Requirement is temporary and anticipated to return to normal before end of model year.

Accurate renderings of the interior trim offer updates detailed above are expected to be reflected in the online configurator in the coming weeks.
